Annwyl Rieni/Dear Parents,

Arolygiad ESTYN - Ysgol Cybi - ESTYN Inspection

Mae Adroddiad Arolwg Estyn Ysgol Cybi wedi'i gyhoeddi o'r diwedd, ac mae bellach ar gael ar wefan Estyn.

Tra bod yr ysgol yn croesawu prosesau monitro o'r fath ac yn cydnabod eu rôl yn ein cynorthwyo i adnabod ein cryfderau a'n gwendidau, mae'n bwysig fy mod hefyd yn cydnabod y llwyth gwaith ychwanegol. Hoffwn ddiolch i aelodau'r Corff Llywodraethol a'n staff ardderchog am eu gwaith yn ystod y cyfnod hwn. Mae'r canlyniadau'n siarad drostynt eu hunain gyda dim ond un argymhelliad; ac rydym i gyd yn arbennig o falch bod ein hymdrechion i flaenoriaethu lles wedi'u nodi fel astudiaeth achos i'w rhannu gydag ysgolion eraill ar wefan Estyn.

Byddwn yn bwrw ymlaen gyda'r gwaith o ymateb i'r argymhelliad sydd wedi'i rannu gyda ni ac yn edrych am gyfleoedd pellach i ddatblygu agweddau o ragoriaeth ar draws ein darpariaeth. Edrychwn ymlaen at barhau i weithio gydag ac er budd ein cymuned leol.

Ysgol Cybi's Estyn Inspection Report has finally been published and is now available on the Estyn website.

Whilst the school welcomes such monitoring processes and appreciates their role in assisting us identify both our strengths and weaknesses, it's important that I also acknowledge the added workload. May I thank the members of the Governing Body and our fantastic staff for their work during this time. The outcomes speak for themselves with only one school recommendation; and we are all especially proud that our efforts to prioritise welfare have been identified as a case study to be shared with all other schools on the Estyn website.

We will be continuing with the work of responding to the recommendation that has been shared with us and look for further opportunities to develop aspects of excellence throughout our provision. We look forward to continuing to work with and for the benefit of our local community.
