Dear Parents,

May I extend a warm welcome to all parents and children to a new educational year here at Ysgol Cybi. A very special welcome to the new children in the Nursery class and also to several new members of staff who have joined us this year - details can be found on the school's website.

## **New School Year Important Information**

**Personal Details:** It is essential we are updated with any changes in personal details you consider relevant i.e. change in address, mobile number, allergies etc....

**Attendance and Punctuality:** Teaching children from an early age the importance of daily attendance and to respect the need to be on time is extremely important. There is plenty of evidence to show that children and young people who have developed the habit of being proud of their high attendance and are always punctual go on to perform better at school and even at work after they have grown up. The gates open at 8:50am and close promptly at 9:00am. If your child is unwell, contact the school to inform them of an absence using the **SCHOOL GATEWAY APP**.

**Collecting Your Child:** If your child is in Year 3, 4, 5 or 6 and you feel your child is mature and responsible enough, make sure you apply for a WALKING PASS, so he/she can walk to meet you (i.e., in Millbank Car Park, or another arranged area) or walk straight home.

So that everyone leaves safely and as orderly as possible we kindly ask ....

- Parents choosing to collect their children to stay in specific areas on the yard (map - look out for class no.)
- Pupils are asked not to ride their bikes or scooters on the school yard.
- Teachers will lead the pupils to the areas highlighted on the school yard (map). Children with a WALKING PASS will be released first, with the remaining children then released gradually to your care.
- Pupils should not use the climbing wall and the slide during this period. Make sure you supervise your children during this very busy time.

**Parking:** *If you have to use a car to transport and collect your children from school, we kindly ask that all parents help us keep our site as safe as possible by parking in **Millbank Car Park**. Parents of Year 3, 4, 5 and 6 pupils are encouraged to consider applying for a **WALKING PASS** for your child, if you feel your child is mature and responsible enough.*

**Ysgol Cybi Breakfast and Care Club:** *We kindly ask that you book a place for your child a day in advance if you want to use the Care or Breakfast Club.*

Care Club: 8:00am – 8:15am

Price: £1.25

Breakfast Club: 8:25am – 8:35am

FREE

**School Lunch:** *Free school lunch will be available for all pupils from Reception to Year 5 from the beginning of term. This will be extended to include all Primary sector pupils from 11/9/23 onwards - further letter for Year 6 to follow at the end of the week. We will continue to share the external caterers (Chartwells) school lunch menu every half term.*

**Healthy Schools and Water Bottles:** *Educating the children and one another about the importance of healthy eating is part of every school's responsibility and that includes promoting and adopting these habits whilst at school. Pupils are encouraged to fill their water bottles at home and bring them to school daily. Parents are asked to support us by ensuring that packed lunches and any snacks are healthy.*

**Nut Aware School:** *Several pupils and members of staff suffer from a nut allergy here at Ysgol Cybi, which can be a very significant risk to health. We ask parents not to provide products with nuts for their children to come to school. This includes peanut butter, Nutella and any other product that may contain any type of nut.*

**School Dog:** *Twm, Ysgol Cybi's school dog will be returning next week. Twm is a gentle, well-trained dog and was very popular with all pupils (staff and parents!) last year. If any parents have any concerns or questions, please contact us for a chat.*

**Homework:** *We will stick closely to the same regular Homework arrangements this year keeping to the principles that Homework should support basic skills and be easy for parents to help with. See further details on the school website.*

**School Uniform:** *Please ensure that ALL CLOTHING is clearly labelled.*

**Teaching Staff Working Hours:** *There is further information about methods of communication with the school at the end of this letter. Class teachers will make every effort to read and respond to any messages via CLASS DOJO between 8:30am and 4:30pm only. However, we cannot guarantee this happens daily and it may take a few days for you to receive a response. Remember that you can share information or have a chat with the class teaching staff when collecting children at the end of the school day or contact the school directly via SCHOOL GATEWAY or by phone (01407 883150).*
