The children are very welcome to Ysgol Cybi's class 20 and Year 5. We are very keen for you as parents to find out more about what the children are learning in class this year.

Gwaith Cartref a Darllen Homework and Reading

Rydyn yn gofyn yn garedig i rieni darllen gyda'r plant pob gyda'r nŵs.

Fydd gwaith cartref y plant yn gofyn wrthynt ddysgu geiriau sillafu (Cymraeg a Saesneg) yn ogystal â thablau pob wythnos.

We kindly ask parents to read with the children every night if possible.

The children's homework will require them to learn spelling words (Welsh and English) as well as tables each week.
